ASEAN ENERGY BUSINESS FORUM 2021 VIRTUAL

The ASEAN Centre for Energy (ACE) and dmg events were honoured to co-organise the 2021 edition of the ASEAN Energy Business Forum (AEBF) held in conjunction with the 39th ASEAN Ministers on Energy Meeting (AMEM) and hosted by the Ministry of Energy Brunei Darussalam.

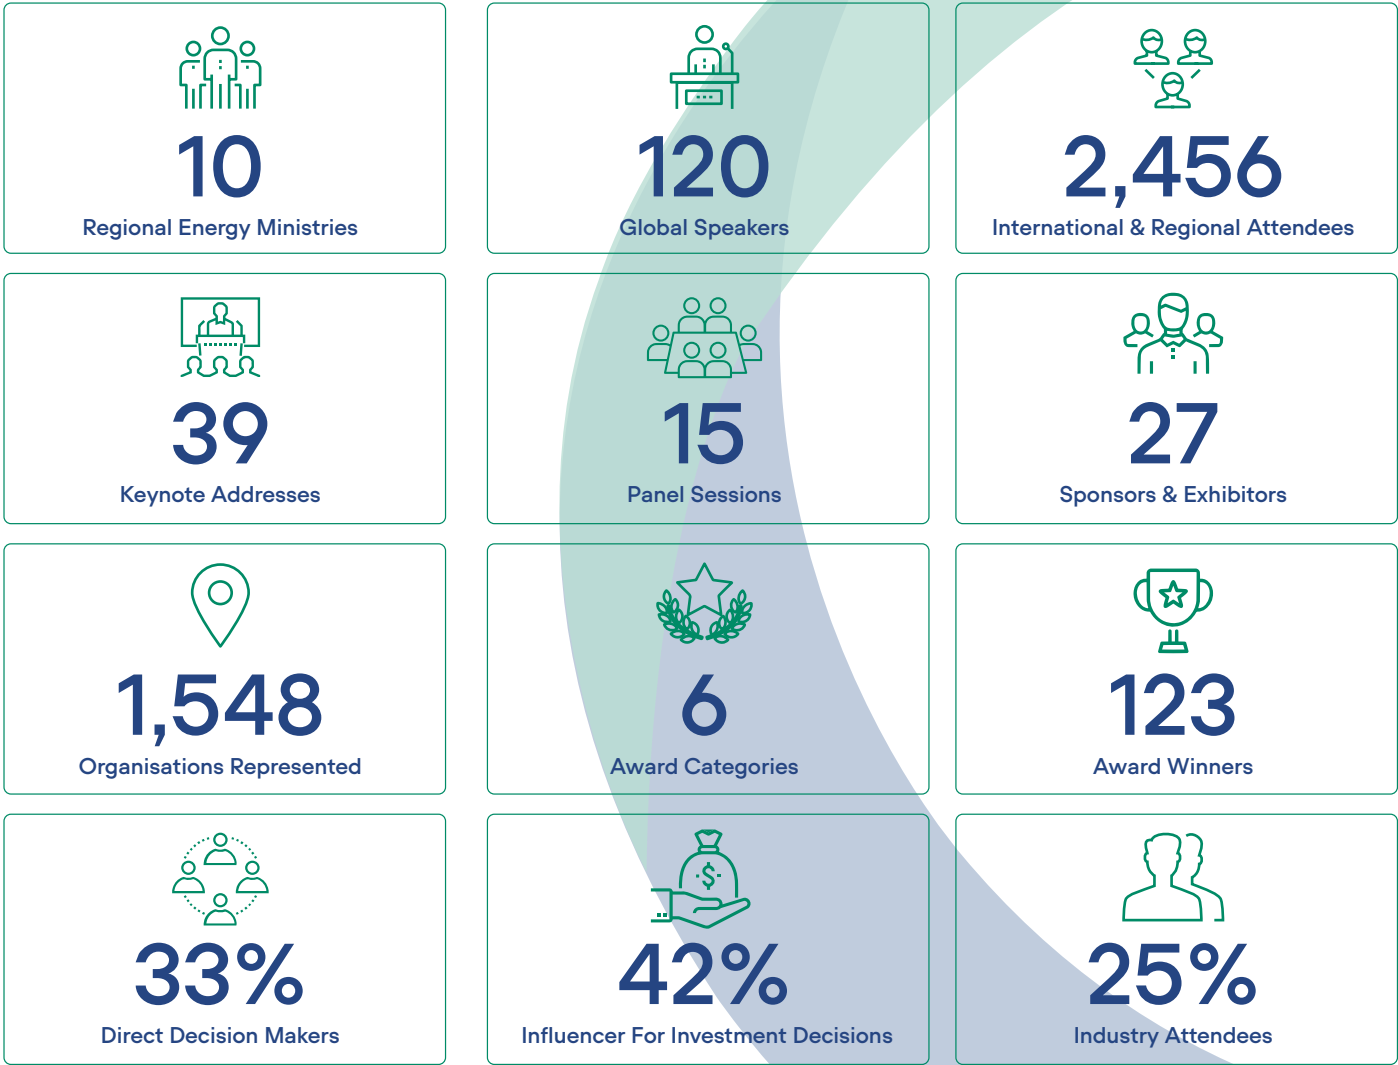

Conducted online from 14-16 September 2021, ASEAN Energy Business Forum 2021 Virtual presented the single most important ground breaking event for the global energy industry and specifically for South East Asia – the epicenter of energy transition and transformation.

The event congregated ASEAN policy makers and global private sector organisations to engage in public-private partnership cooperation discussions and project development meetings focused on driving ASEAN's transition towards a cleaner energy future and increasing interconnectivity and collaboration between member states.

VIRTUAL STRATEGIC CONFERENCE

Over the 3 days, the forum hosted over 120 speakers from across the globe, 39 keynote addresses and 15 panel sessions.

Revolving around the theme “We Care, We Prepare, We Prosper”, the conference has addressed the energy transition with a diverse perspectives from the policy makers, industry and the academics. ASEAN Energy Business Forum has truly been the Southeast Asia region's most important and influential platform for dialogue, sparking insights and creating business opportunities.
