ASEAN ENERGY BUSINESS FORUM 2022 HYBRID

The ASEAN Centre for Energy (ACE) were honored to organize the 2022 edition of the ASEAN Energy Business Forum (AEBF) held in conjunction with the 40th ASEAN Ministers on Energy Meeting (AMEM) and hosted by the Ministry of Mines and Energy, Kingdom of Cambodia.

ASEAN Energy Business Forum 2022 was successfully conducted in a hybrid set from 14 – 15 September 2022 at Sokha Hotel, Phnom Penh, Cambodia. AEBF is the single most important groundbreaking event for the global energy industry and specifically for South East Asia – the epicenter of energy transition and transformation.

The event congregated ASEAN policymakers and global private sector organizations to engage in public-private partnership cooperation discussions and project development meetings focused on driving ASEAN's transition towards a cleaner energy future and increasing interconnectivity and collaboration between member states

CONFERENCE

Held in 2 days, the Forum hosted over 40 speakers from across the globe with 8 panel sessions discussed “*Accelerating Energy Transition: Sustainable Growth and Energy Security*” as the theme of this year.
